

The University

THE UNIVERSITY

Andrews University is a Christian university in the Seventh-day Adventist tradition. Given this Christian tradition, Andrews University encourages its students to study, practice, and develop an active religious experience. By corporate worship, community service, and a common concern for all, Andrews University students are led to develop a philosophy that makes them Christian not just in name, but in deed.

and shoes; and a gift shop with greeting cards and stationery.

**Andrews University Press
Information Services Building 471-6915**

The Andrews University Press publishes academic books, journals, and papers that make a scholarly and/or professional contribution to their respective fields. Publication emphases include archaeology, biblical studies, religion, and education. The journals published under press auspices are *Andrews University Seminary Studies* and *Journal of Research on Christian Education*.

**Career Planning and Placement
Services**

Campus Center, Room 120 471-3141

Career Planning and Placement Services provides a continuum of career counseling from pre-freshman through graduate and alumni years. Students may receive individual assistance in evaluating career goals, choosing majors and minors, obtaining co-op or internship experience, identifying possible employers, and planning job-search strategies.

**Center of Continuing Education
for Ministry**

Seminary Hall, Main Floor 471-6371

The Center of Continuing Education for Ministry (CEEM) is an extension of the Seventh-day Adventist Theological Seminary. It serves the General Conference Ministerial Association, the North American Division, and other organizations of the Seventh-day Adventist Church. While its primary purpose is to provide continuing education for persons currently functioning in Adventist ministry, it also serves Adventist administrators, lay leaders, and, to a limited degree, ministers of other Christian bodies.

The center coordinates graduate courses for off-campus participants leading to such degrees as the Master of Arts in Pastoral Ministry and the Doctor of Ministry. It seeks to identify the needs and issues that affect the professional growth of Adventist ministers and develops continuing-education courses that result in certificates and continuing-education units. It serves church organizations as an accrediting, monitoring, and registering agency.

Center for Global Urban Mission

Sutherland House 471-6532

The Center for Global Urban Mission monitors urban trends globally; gathers and disseminates information on urban mission; develops and evaluates models for urban mission; assists with strategic planning, urban consultations, and training in urban mission; networks urban missionaries; and draws the attention of denominational leaders, pastors, and key lay leaders to the needs of urban centers around the world.

Center for Statistical Services

Bell Hall (Education), Room 151 471-3478

The Center for Statistical Services provides help with all aspects of empirical research. Services are available in (1) research design, (2) development of questionnaires and measurement instruments, (3) data entry, (4) statistical analysis, and (5) interpretation and reporting of results.

Center for Youth Evangelism

Lake Union Conference Office 471-9881

The Center for Youth Evangelism (CYE) is an organization of the Seventh-day Adventist Theological Seminary and the North American Division Youth Ministries Department. Created in response to the need for creative youth-ministry programming and resources throughout the North American Division (NAD), the center offers a variety of services to seminarians, pastors, churches, and conferences.

The CYE provides youth-ministry training through workshops, seminars, and training events. It also provides evaluation and production of youth-ministry materials, promotion of study and research in youth ministry, and a network for people committed to "sticking their necks out for youth and young adults" through the pages of *Giraffe News*, the center's quarterly journal. The CYE also serves as the home of the Giraffe Society, a pro-active youth-ministry organization, and Youth Summits, a creative discipleship program aimed at high-school-aged young people.

Information Technology Services

Information Services Building 471-3455

The Information Technology Services provides a number of services for faculty, students, and the university administration. This service makes hardware and software available to students and faculty at educational prices. Some assistance with software questions is provided as resources allow. Non-credit seminars in the use of software applications are offered free of charge.

Public-access labs containing PC-compatible computers are located in Bell Hall, Chan Shun Hall, and Nethery Hall. A variety of software as well as dot matrix and laser printers are available for use in these labs.

A campus-wide network connecting most university computers is accessible from faculty offices, computing labs, dormitory rooms, and other locations via modem. The campus network is connected to the world-wide collection of networks called the Internet. These networks allow individuals to communicate with each other through electronic mail, to access information from library online catalogs, to access and transfer files/information, and to use resources on various computer systems on campus and around the world.

Center for Intensive English Programs

Nethery Hall 471-2260

The CIEP offers classes in writing, grammar, reading, and oral/aural communication at various levels for those students whose mother tongue is not English and who do not meet English proficiency requirements for regular admittance to university classes. The CIEP, in conjunction with the Counseling and Testing Center, also coordinates a program for testing English language proficiency, using the MELAB test.

**English as a Second
Language—ACA**

Nethery Hall 471-2260

The ACA program in English as a Second Language offers an immersion experience in American culture as well as in English. Language classes include all of the skill areas, as well as preparation for TOEFL. Out-of-class activities, such as sports events, dining out, shopping, trips to major cities, and everyday conversational training are an important part of the program. English-

speaking peers accompany students on activities, and students are paired with English-speaking roommates.

**Global Church Growth
Research Center**

Sutherland House 471-2523

The Global Research Center (GRC) has been developed to create the only comprehensive electronic database of the Adventist church and global mission statistics in cooperation with the General Conference Office of Archives and Statistics. Its purpose is to support mission research and strategy development through accurate information, expert analysis, and informal training events for leaders in the field.

Greek Manuscript Research Center

James White Library 471-3313

The Theological Seminary Department of New Testament sponsors the Greek Manuscript Research Center (GMRC). The center's primary goal is to help develop a more complete understanding and appreciation of Christianity's primary documents—the original, handwritten Greek manuscripts of the New Testament, copied over a 1200-year period. The Theological Seminary is a participant in the International Greek New Testament Project, an ongoing venture of American and European scholars seeking to create an exhaustive multi-volume reference tool that documents every variant in all extant Greek manuscripts of the New Testament. The GMRC houses one of the largest collections of microfilmed Greek manuscripts in North America.

Horn Archaeological Museum

Seminary Drive 471-3273

An archaeological museum named for its founder and first curator, Siegfried H. Horn (1908-1993), houses over 8,500 ancient Near-Eastern artifacts including coins, pottery, sculptures, tools, weapons, figurines, jewelry, seals, and glass vessels. Nearly half of these objects came from university-sponsored archaeological excavations at Tel Gezer, Israel, and at Tall Hisban, Tall el-Umairy, and Tall Jalul, Jordan.

The museum building contains offices, work-rooms, the Siegfried Horn Archaeological Library, and the collection display area. Eleven oil-painted murals help visitors understand the cultures of Bible times. A special Writing Exhibit houses the Andrews University Cuneiform Texts (formerly the Hartford Cuneiform Tablet Collection). This collection consists of 3,000 ancient clay tablets dating from the Sumerian period to Neo-Babylonian times.

The museum sponsors a regular lecture series, occasional field trips, and a quarterly subscription newsletter.

Institute of Archaeology

Horn Archaeological Museum 471-3273

The Andrews University Institute of Archaeology coordinates the archaeological programs and activities of the university. The institute fosters archaeological research, publication, and education at Andrews University, the communities of Michiana, and the Seventh-day Adventist Church at large.

The institute (1) offers courses through the seminary which directly or significantly relate to the study of archaeology, (2) sponsors regular visits by distinguished archaeologists for the

purpose of lecturing and consulting, (3) organizes tours which are open to the public, (4) presents archaeological programs for churches and schools, (5) provides opportunity for field and laboratory training through its excavations and surveys in the Middle East and Michiana and the subsequent analysis of these results, (6) supports the work of the Horn Archaeological Museum in collecting and interpreting artifacts, and (7) publishes results of excavations and research in annuals, monographs, and occasional papers.

Institute of Church Ministry

Seminary Hall, Lower Level 471-3575

The Institute of Church Ministry (ICM), an official organization of the Seventh-day Adventist Theological Seminary, shares the expertise and resources of Andrews University with the Adventist church in North America, thus aiding denominational decision makers and facilitating the larger church in the accomplishment of its goals. The ICM serves as the North American Division Strategic Resource Center but also lists the General Conference, local conferences, local churches, and Adventist journals among its clients.

The work of ICM springs from the belief that the tools of social science can join with biblical and theological insights to advance the objectives of the church. Its mission is conducted through field-based research in such areas as Adventist youth, lay-member involvement, training for ministry, church growth, church-giving patterns, Adventist women in leadership, Adventist Hispanics, and the attitudes of Adventist members on various issues.

Institute of Hispanic Ministry

Seminary Hall, Main Floor 471-6170

The Institute of Hispanic Ministry (IHM) of the Seventh-day Adventist Theological Seminary was created in response to the growing needs of the various Hispanic constituencies in North America and beyond.

The tasks of the IHM include the fostering of graduate-level study for Hispanic pastors both on and off campus and assisting in various forms of continuing education for Hispanic ministers. It coordinates the Hispanic track of the MA in Pastoral Ministry and supports Hispanic offerings in the MDiv and DMin programs. The IHM also provides support systems for Hispanic ministry and churches that are in transition culturally and linguistically. It encourages pertinent research and the dissemination of its findings for the Seventh-day Adventist Church at large.

Institute of Jewish-Christian Studies

Seminary Hall, Room 312 471-3349

Jews and Seventh-day Adventists share much

and Seventh-day Adventist resources, both published and manuscript, which complement the Seminary Library holdings.

Marine Biological Field Station

Anacortes, Washington 360-293-2326

Biology Department 471-3243

Andrews University is affiliated with Walla Walla College (College Place, WA) in the operation of a marine biological field station at Rosario Beach on Fidalgo Island in the Puget Sound of the state of Washington. The station provides facilities for undergraduate and graduate study and research. Close proximity to a biological spectrum from sea bottom to Alpine tundra provides a unique opportunity for instruction and investigation.

Mathematics Center

Haughey Hall (Science Complex) 471-3423

The goals of the Mathematics Center are to help alleviate math anxiety, foster self-confidence, and assist students with specific course-related problems. The Center provides a tutoring/consulting service that is available to Andrews students, faculty, and staff.

Museum of Natural History

Price Hall (Science Complex) 471-3243

In 1960 the Biology Department established the Museum of Natural History around the nucleus of a few specimens used for teaching. It has since developed into a display used by students and visited by hundreds of people annually. The most complete skeleton of a woolly mammoth to be found in Michigan is displayed in the museum, which is located on the lower level of Price Hall.

Several donations have contributed collections of over 30,000 marine shells, 1,600 birds, and 1,400 mammals as well as hundreds of butterflies and other insects. The museum also includes over 5,000 botanical specimens in the herbarium section and a collection of antique microscopes.

North American Division

Evangelism Institute

Berrien Professional Center 471-9220

The North American Division Evangelism Institute (NADEI) was first established in 1979 in the Chicago area by the Lake Union Conference to provide practical training for ministerial and lay students in evangelism. In 1983 it became an entity of the North American Division and a vital

The College of Arts and Sciences also offers by extension a nursing completion program leading to a BS degree for registered nurses at Kettering, Ohio.

Graduate

Graduate extension programs are offered in a number of disciplines by the various schools of the University.

The College of Arts and Sciences offers courses leading to the MMus (Music Education) degree at Montemorelos University, Mexico, and MS (Nursing) degree, and the MS (Human Nutrition) degree at several sites in the United States. In addition, the full Master of Physical Therapy program is offered at the Dayton, Ohio, site.

The College of Technology offers the MS in Software Engineering in Singapore. The School of Business offers the MBA degree at extension sites in Singapore, Taiwan, and Trinidad.

The School of Education offers the MA degree at Newbold College, England; Northern Caribbean University, Jamaica; and Spicer Memorial College, India. In addition, it offers the MAT degree in elementary education at Columbia Union College in Maryland and Oakwood College in Alabama. The programs in Alabama and Maryland are licensed and approved; however, they have not been presented for review or certification approval by state boards of education outside the state of Michigan.

The Seventh-day Adventist Theological Seminary offers the MA (Religion) at Babcock University, Nigeria; Newbold College, England; Spicer Memorial College, India; and Zaokski Adventist Seminary, Russia. It offers the MA in Pastoral Ministry at Antillean Adventist University, Puerto Rico; Babcock University, Nigeria; Caribbean Union College, Trinidad; Colombia Adventist University, Colombia; Montemorelos University, Mexico; and Newbold College, England.

The Seminary also offers the Doctor of Ministry degree at two international sites: Montemorelos University, Mexico, and Spicer Memorial College, India, and courses leading to the MA in Pastoral Ministry and the DMin degrees in each of the unions of the North American Division of Seventh-day Adventists.

In addition, the School of Graduate Studies offers the MSA degree (International Development) at four sites: Costa Rica, Kenya, Peru, and Thailand.

Distance Education

Andrews University offers distance education courses in partnership with Home Study International and its delivery system. See p. 31 for further details.

In conjunction with Canter & Associates, the School of Education offers in-service credit for a variety of graduate courses through video instruction. The school also offers additional graduate courses by distance learning.

Other International Educational Opportunities

Andrews University co-sponsors **Adventist Colleges Abroad**—a program in which qualified students study overseas while completing requirements for graduation at Andrews. This language and cultural immersion is available in nine locations: Argentina, Austria, Brazil, France, Greece, Italy, Singapore, Spain, and Taiwan. Participation is not limited to language majors. See the chair of the Department of International Language Studies for further information.

Undergraduate students may study abroad in the **Andrews University Year in England at Newbold College** program. The purpose of this program is to allow students to participate in a culturally enriching academic experience. Information about this program can be secured by writing Newbold College or contacting the Dean of Affiliation and Extension Programs at Andrews University. Students should make application directly to the Admissions Office, Newbold College, Binfield, Bracknell, Berkshire, England RG42 4AN.

The university is concerned with educating the whole person—mentally, physically, spiritually, and socially—based on the philosophy of Adventist education. It recognizes that one's career can neither be complete nor balanced without ample provision for spiritual, cultural, and social needs. Therefore, many activities not directly related to the instructional program are available. Each student has an opportunity to take part in those of his/her special interest.

STUDENT HOUSING

Andrews University offers several choices of living quarters to meet students' needs.

Residence Halls. The university maintains two men's residence halls (Meier Hall and Burman Hall) and one women's residence hall (Lamson Hall). Double-occupancy rooms are standard. Private occupancy is permitted by special request if space allows, with a supplemental fee.

Apartments and Houses for Rent. The university owns approximately 300 apartments and 25

small unfurnished houses which are available to married students and single-parent students. Only the efficiency apartments in the Garland complex are available to graduate singles, or undergraduates who are 22 years of age or older. Accommodations are available only to those who have been officially accepted as university students. Since apartments are limited, applicants are advised to apply six to nine months before their first semester of studies.

Most apartments are furnished, with both stove and refrigerator. Tenants must supply their own linen, draperies, and culinary utensils. Unfurnished apartments have a stove and refrigerator. Heavy furniture and pianos may be moved into the apartments only by prior arrangement with the housing manager. Pianos may be used on ground floors only. Pets are not allowed in university apartments or houses. The Housing Office provides apartment descriptions, rental rates, and application forms upon request. Further information on university housing may be obtained through the *University Housing Handbook* available from the Housing Office.

Other Accommodations. Many area landlords have their names and phone numbers on record at the Housing Office which students may consult or copy.

MOTOR VEHICLES

Any student who is not on citizenship probation and who meets the requirements for vehicle registration, licensing, and insurance as outlined below and as specified in the motor-vehicle regulations is allowed to own and operate a motor vehicle.

Vehicle Registration. All motor vehicles must be registered with the Campus Safety Department within two weeks after the vehicle is brought to the campus or after it is acquired. Decals, issued

FOOD SERVICE

Food service facilities are housed in the Student Center. The Terrace Café (cafeteria on the upper level) has three dining rooms—Badger, Lincoln, and Wolverine—which seat approximately 600 people. The Gazebo (snack bar on main level) provides fountain grill service. All entrees in the Gazebo and Terrace Café are vegetarian.

MEDICAL SERVICES

Required Medical Records. Michigan State Law requires that all first-time students supply certain medical records to the school of their choice before registration can be completed. The required records are those for (1) Tuberculosis Screening and (2) Measles, Mumps, and Rubella (German Measles) Immunization (MMR). See the admission section of this bulletin for detailed requirements.

Available Medical Care. Students may direct their health needs to the University Medical Specialties, located next to the Apple Valley Plaza. Phone 473-2222 during regular office hours (8:00 am–5:00 pm, Monday–Thursday, and 8:00 am–12:00 noon, Friday) to schedule appointments.

Physician appointments and nurse visits, as well as most short-term medications needed, are available to residence-hall students. These services are included in the rent/health plan and are not charged separately to the student. However, charges are made for lab work, X-rays, and accident cases involving third-party liability.

Non-residence-hall students living in the apartments or off-campus housing may also use the University Medical Specialties for a fee.

If an emergency arises outside of regularly scheduled office hours, students may contact a physician by calling the answering service at University Medical Specialties at 473-2222.

HEALTH-RELATED CONCERNS

Insurance—Sickness/Accident. All international students in “student status” and all other students registered for 6 or more credits hours are automatically covered by an Accident and Sickness insurance plan at registration by filling out an enrollment card. The payment for this coverage is charged to their account the same as their tuition and is **non-refundable**. Those who have proof of comparable insurance coverage elsewhere may waive the university plan by presenting a copy of their insurance card or a letter from an employer verifying coverage, and signing a waiver card at registration. In addition, coverage for a student’s spouse and dependent children is also available for an additional fee. All international students, from outside of the United States, are required to cover their dependents, provided they have or will accompany the student to the States. Students may request a brochure describing the insurance coverage at the Student Employment/Insurance Office in the Administration Building.

Counseling and Testing Center. Psychological counseling and testing services for personal, social, spiritual, educational, and vocational concerns are available to all university students. Understanding oneself, sorting out one’s feelings, learning new skills, assessing realities, exploring alternative courses of action, making one’s own decisions—all are a part of the psychotherapeutic process.

Psychometric instruments and vocational guid-

ance tests are available at the Counseling Center. The services of the Counseling Center are available without charge to all Andrews University students. (There is a minimal fee if tests are taken.) The center is accredited by the International Association of Counseling Services, Inc.

SPIRITUAL CONCERNS

Campus Ministry. As a church-operated university, Andrews University emphasizes personal religion, and enables its students to participate in activities which nurture spiritual growth. Members of the pastoral staff of the campus church are involved in a specialized ministry for students and are available for counseling and campus religious programs. Their offices in the Student Center coordinate these varied programs and provide helpful materials and information to students interested in spiritual growth. The student missionary and task force programs and BRANCH (Bringing Andrews to Christ) the student religious activities organization are also coordinated through the Campus Ministry Office.

University Chapels and Student Forums.

Undergraduate students are required to attend the regularly scheduled University Chapels and University Student Forums. Residence-hall students are required to attend dormitory worship services. All students are encouraged to participate in worship services and to consider these appointments an integral part of their curriculum. The University Chapel for undergraduate students convenes in Pioneer Memorial Church (PMC) on Tuesdays and the University Student Forum convenes Thursdays at 10:30 am in PMC unless otherwise announced. Seminary chapel convenes on Tuesday at 10:30 am in the Seminary Chapel. Seminary students are required to attend chapel as well as weekend worship services. Other graduate students are urged to participate in chapel services in Pioneer Memorial Church, the Seminary Chapel, or specially scheduled graduate-student chapels.

STUDENTS' RIGHTS AND RESPONSIBILITIES

Standards of Conduct. A conscious effort is made to maintain standards of conduct which reflect the spiritual heritage of Seventh-day Adventists. The university also seeks to maintain social standards comparable to those upheld by the Adventist church, and it interprets the presence of the student on campus as evidence that he/she has chosen this university because of the way of life it espouses. Admission is a privilege that entails acceptance of individual responsibility for honor, integrity, and self-discipline. Thus, attendance at the university is a privilege and not a right.

To safeguard its moral and scholastic atmosphere, the university reserves the right to ask any student to leave whose presence is considered damaging to the mission and function of the university. Such students are told the reason for their dismissal. A student may forfeit his/her connection with the school without any overt act if he/she is not in accord with its standards and objectives. The use of tobacco, alcoholic beverages, narcotic or other dangerous drugs; dancing; indulging in profanity or vulgarity; possessing lewd or obscene materials or firearms; or engaging in improper associations are not allowed. Involvement in public scandal may be cause for suspension or dismissal.

The expected standard of conduct is described

in the *Student Handbook*. Each student may pick up a copy of the handbook at the Student Services office (or locate it on the Andrews University web site) to become informed about this phase of student life. Any regulation adopted and published by the faculty and announced to the students has the same force as those printed in official publications.

Student Records. Enrolled students of Andrews University may inspect their official records upon request at the following offices: Academic Records, Human Resources, Student Financial Services, Student Services, Counseling and Testing Center, departments of instruction, and the University School. The full policy statement governing student records and access to them is available in the *Student Handbook*. Certain limitations imposed on the inspection of student records are described in this policy.

Directory Information. Andrews University supports the provisions of the Family Educational Rights and Privacy Act of 1974, sometimes referred to as the Buckley Amendment. It is the policy of the university that students may inspect and review their educational records and may, if they believe the records are incorrect, seek to have the records corrected through appropriate procedures. Students who wish to review their academic records should set up an appointment through the Academic Records Office. Students wishing to review their student life records should make an appointment with the Student Services Office.

Releases to Third Parties. In accordance with the *Family Educational Rights and Privacy Act*, Andrews University limits disclosure of educational records or personally identifiable information without the student’s written consent, except to agencies having a recognized legal need for the information.

The *Family Educational Rights and Privacy Act* grants institutions the prerogative of defining certain classes of information as directory information for which the institution does not have to obtain prior consent of the student for its release. In harmony with this provision, Andrews University has classified the following as directory information: name, local address, local phone number, major field of study, year in college, E-mail address, dates of attendance, degrees or certificates (with dates), scholarships, honors received, awards received.

Students may restrict the release of any or all items of directory information at the beginning of each quarter. This must be accomplished by Friday during the first week of classes. A form for requesting such restriction is available at the Academic Records Office.

Andrews University reserves the right to determine the manner in which directory information may be released or to whom it may be released without the consent of the student.

Safety Regulations. Andrews University expects students to develop positive attitudes toward safe working habits. Students who participate in classes, laboratories, or activities involving situations considered hazardous, as stipulated by the state or national standards, are required to provide and wear any such specified personal safety equipment.

STUDENT EMPLOYMENT

Eligibility Pre-Employment I-9 Form. Before working on campus, all students (both U.S. citizens and others) must personally have a validation interview with the Student Labor Officer (Administration Building) at which time the officer and the student jointly make affidavit on the appropriate I-9 legal declaration form.

Employment Eligibility Certification. The Immigration Reform and Control Act charges all employers to examine and verify certain documents that establish the employment eligibility of all new employees. New and returning students who have not completed an I-9 for Andrews University work in the past and who plan to seek any employment on the Andrews University campus must supply documents of identity and employability. Some documents serve for both purposes (List A), but if not available, two documents may be presented (one each from List B and List C). The following are acceptable documents:

LIST A

Documents That Establish Both Identify and Employment Eligibility:

- U.S. Passport (unexpired or expired).
- Certificate of U.S. Citizenship (*INS Form N-560 or N-561*).
- Certificate of Naturalization (*INS Form N-550 or N-570*).
- Unexpired foreign passport with *I-551 stamp* or attached *INS Form I-94* indicating unexpired employment authorization.
- Alien Registration Receipt Card with photograph (*INS Form I-151 or I-551*). Also known as *Green Card* or *Permanent Residency Card*.
- Unexpired Temporary Resident Card (*INS*

Black Student Association of the Seminary.

The Black Student Association of the Seminary (BSAS) welcomes all seminarians. The mission of BSAS is to provide ministerial support, nurture, inspiration and training that will equip the spiritual leaders of the future to become gifted ministers in the home, church and community. This organization fosters a Christ-centered atmosphere that constrains one into a deep personal devotion with our Lord and Savior Jesus Christ. BSAS creates a worship climate of caring, unity and joy which satisfies the spiritual needs of the family and community.

Daughters of the Lord. The Daughters of the Lord (DOTL) is primarily an organization for the wives of seminary men. Its purpose is to enrich the lives of the women and help them prepare for ministry in partnership with their husbands according to their talents, gifts, and desires. Although the organization focuses on seminary wives, it also encourages participation by faculty wives, faculty wives, and students.

OTHER CAMPUS SERVICES

Other campus services include a barber shop, a beauty shop, and the university-branch post office.

DISABLED STUDENT SERVICES

Reasonable accommodation is made for students with a diagnosed physical or mental impairment which substantially limits their academic activities. The offices of Academic Support, Student Services and the University Center for Reading, Learning and Assessment work together to provide academic adjustments and auxiliary aids for students diagnosed with these impairments. Students who need this assistance must advise Student Services prior to enrollment.
