Education at Andrews University has always been rooted in the concept of Christian service. Educators, nurses, agronomists, and various technicians have developed schools, hospitals, agricultural programs, and a host of other institutions and facilities that can improve the quality of life for people everywhere. Through its Affiliation and Extension Programs Andrews University has made it possible for students to earn degrees at off-campus locations around the world. The MSA in International Development is one such program, and its principal purpose is to provide a venue for in-service training of development workers whose work responsibilities and life

Interested individuals should consult with the program director for further information about which graduate certificates will be offered during a given school year and how to proceed with enrollment.

Graduate certificates are developed and offered in accordance with standards set by the Graduate Council. While they serve to give evidence of focused study in a given field of specialization at the graduate level, they do not take the place of certificates and licenses offered by professional associations and guilds.
