TEACHING AND LEARNING UNDERGRADUATE PROGRAMS

Pre-Teacher Preparation Status. All undergraduate students admitted into the School of Education are in a Pre-Teacher Preparation status until they are formally admitted into the Teacher Preparation program. Only the following Teacher Preparation courses can be taken without admission to the program or special permission: EDPC302, EDTE165, 228 and 408.

Admittance into the Teacher Preparation Program. A formal application for admittance into the Teacher Preparation Program must be submitted to the Department of Teaching and Learning. This should be done during the sophomore year or during the first semester of course work for transfer and graduate students. The Basic Skills portion of the *Michigan Test for Teacher Certification (MTTC)* must be passed before admittance to the Teacher Preparation Program. See the Teacher Education Program and Certification Procedures for specific details, p. 254.

Special Requirements for School of Education Students.

Applicants who do not qualify for regular or provisional admission to the School of Education may apply to the College of Arts and Sciences. After achieving a minimum GPA of 2.50 for at least one semester (minimum 12 credits), the applicant may apply for a transfer to the School of Education.

BS: Elementary Education

The Bachelor of Science in Elementary Education degree is a professional degree with emphasis in the curriculum and methodology of teaching in the elementary school.

Michigan Department of Education Definition of “Program Completers”

Elementary Education “Program Completers” must qualify for graduation. This includes the following:

- General education core
- Pass the *MTTC Basic Skills Exam*
- Professional education courses*
- Planned program minor*
- Approved subject content major* **or** two minors*
- Pass the *MTTC Elementary Education Exam* (additional subject area exams are optional)
- Be recommended for certification

* *EACH* of these areas must have a 2.50 GPA with no grade of C- or below, in addition to a minimum cumulative GPA of 2.50.

Courses counted toward meeting the requirements for the planned program minor, the professional education courses, the subject content major, minors, area of concentration, or SDA certification requirements must have a grade of C or above. Students are expected to meet all requirements for Seventh-day Adventist and State of Michigan certification before the degree can be granted. Degree candidates who are unable to qualify for either SDA or Michigan certification may petition the dean of the School of Education to be exempted from meeting the requirements for **one** of the two types of certification.

GENERAL EDUCATION CORE REQUIREMENTS

Philosophy of General Education. The School of Education attempts to give the prospective teacher the balance, perspective, and understanding of a well-educated person—to free him/her from bias, intolerance, and ignorance about humanity’s world environment. Such education should acquaint the student with the basic knowledge and skills necessary for independent and reflective thought so essential for successful living in today’s complex world.

Electives, as approved by advisement, from these content areas to complete requirements.

Social Studies Major—50

This major has been submitted to the Michigan Department of Education. It had not been approved when this bulletin went to press.

Advising for this major is done by the Department of History and Political Science.

Requirements:

weeks before school opens, organizing and conducting the all-important first day, and the tasks teachers encounter during the first weeks of school. These tasks include

1. Short- and long-range planning
2. Constructing units of instruction
3. Selecting materials and supplies
4. Organizing and managing the classroom
5. Establishing discipline procedures
6. Assessing and addressing individual differences
7. Record keeping (including the daily register), grading, and evaluating.

Student Teaching Semester. The student-teaching semester consists of a minimum of 15 weeks of full-time observation, participation, and teaching under supervision in an elementary or secondary school. If the beginning and ending dates do not coincide with the university semester calendar, the student-teaching calendar takes precedence over the university calendar.

Orientation for student teaching is conducted before the students go to their assigned schools. The time and date of orientation are announced by the director of student teaching. During orientation, each student receives a packet of materials containing information about student-teaching requirements and evaluation procedures.

A weekly student-teaching seminar meets after school hours during the semester. The specific time is announced by the director of student teaching.

The student may not take other courses during the student-teaching semester. Work for remuneration should be suspended. Full attention to their teaching responsibilities helps ensure students' success, which in turn is vital to receiving a positive recommendation from the supervising teacher and university supervisor.

TEACHER CERTIFICATION PROCEDURES

Michigan Tests for Teacher Certification. All applicants for State of Michigan K–12 teaching credentials must pass the *MTTC Subject Area Exams* before a recommendation can be submitted to the Michigan Department of Education. For details on what the tests are and when they are offered, see the Department of Teaching and Learning.

Certification Exemption Petition. Students planning to qualify for a teaching certificate at Andrews University are expected to meet both SDA and State of Michigan certification requirements. Exceptions to this requirement are considered only after a student submits a formal petition to the Department of Teaching and Learning Certification, Screening, and Petitions Committee.

Final Steps to Secure Certification. The student working towards a teaching certificate is responsible for ensuring that his/her program is one of the programs approved at Andrews University for teacher certification at the appropriate level. Students should seek the advice of their Department of Teaching and Learning advisor early in their program. Undergraduate and graduate students should not assume that completing a degree qualifies them for a specific teaching certificate. Graduate students must have their certification programs approved by the certification registrar. The following requirements for certification eligibility both to undergraduate and graduate students and must be met before certification is issued:

- Complete bachelor's degree requirements
- Achieve a minimum GPA of 2.50 overall, and 2.50 in each of the following:
 1. major(s)*,

2. minor(s)*,
3. area of concentration*, and
4. professional education courses.

(*The averages include all courses taken at Andrews University and those transferred from other institutions.)

- Earn grades of C or above in all courses in
 1. professional education,
 2. major(s),
 3. minor(s), and
 4. areas of concentration.
- Pass *MTTC Subject Area Exams*.
- Complete student teaching with a positive recommendation from the supervising teacher
- Obtain a positive recommendation for certification from a faculty member in the Department of Teaching and Learning
- Demonstrate clearance in regard to felony or misdemeanor conviction as an adult. Forms for clearance purposes are available at the Department of Teaching and Learning.
- Request that Official Transcripts be sent directly to the Certification Registrar in the Department of Teaching and Learning.

Application for a Teaching Certificate. In their final year, while applying for graduation, students must also apply for the teaching certificate. The certificate is granted after graduation. The certification application is filed on forms available at the Teacher Certification Office located in the Department of Teaching and Learning. Andrews University recommends the applicants who qualify for certification. Students qualifying for Seventh-day Adventist certification receive a *Verification of Eligibility Certificate* that is honored by the union (an SDA jurisdiction) in which they first accept a teaching position. A recommendation for a Michigan Provisional Teaching Credential is submitted to the Michigan Department of Education. The State of Michigan bills the recommended applicant for a Provisional Teaching Certificate. The amount billed **must be paid directly to the state** before the certificate is issued.

Further information on teaching credentials, SDA certification, State of Michigan certification, updating original certificates, and adding endorsements can be found on pp. 258-260.

GRADUATION REQUIREMENTS

In addition to meeting the general requirements for a baccalaureate degree on p. 29, students who seek baccalaureate degrees with elementary or secondary certification must

- Complete requirements for approved major, minor(s), and professional education courses as described under each specific degree (Due to scheduling complexities, students seeking certification may take more than four years to complete a degree.)
- Maintain a minimum GPA of 2.50 overall, and a 2.50 in the following:
 1. major(s)*,
 2. minor(s)*,
 3. area of concentration*, and
 4. professional education courses*

(*The averages include all courses taken at Andrews University and those transferred from other institutions.)

- Earn a 2.00 minimum GPA in all other credits at Andrews University
- Complete the Senior Exit examination, which serves as the senior-level evaluation
- Take a minimum of 30 of the final 37 semester credits in residence (permission must be given by the dean to take up to 10 credits anywhere other than Andrews University.)

- Qualify for either Michigan Teacher Certification or an SDA Basic Teaching Credential (This item applies to BS Elementary Education majors and BS Secondary General Science and Social Studies majors.)
- Submit a formal request for graduation, approved by the student's advisor, the certification registrar, and a designated records officer.

Master of Arts in Teaching

This flexible, professional degree program is designed to meet the needs of a wide range of individuals. Typical MAT students belong to one of the following categories:

1. Persons who have earned a bachelor's degree and are now seeking teacher certification at the elementary or secondary level
2. Persons who hold teacher certification at either the elementary or secondary level and seek certification at the other level.
3. Persons who hold a teaching certificate and want to strengthen or add a specific subject area endorsement.

Candidates for the MAT degree must hold or qualify for a Seventh-day Adventist or State of Michigan teaching certificate or its equivalent before the degree can be granted. The 32 credits listed for the completion of this degree represent the minimum number of hours required for the MAT. Persons who enter the MAT program without a teaching certificate should expect to complete more than 32 credits. The certification registrar evaluates transcripts and identifies specific certification requirements for each student needing certification.

Three specialization options are available in the MAT program:

- An elementary education emphasis
- A secondary education emphasis
- A specific content area emphasis (Biology, English, English as a second language, History, French, Spanish and Reading.) Specific requirements for these content area emphases are found in the departmental listings of this bulletin.

Prerequisites

1. An undergraduate degree with a major and/or a minor(s) in teaching area(s).
2. Six semester credits, including a course in educational psychology, and other basic areas such as educational philosophy, instruction, or evaluation. If not previously taken at the undergraduate level, the 6 credits may be taken at the graduate level but do not necessarily apply toward the graduate degree program.

Michigan Department of Education Definition of Program Completers

To qualify as a "Program Completer," MAT students seeking their initial **Elementary Teaching** certificate must complete the following:

- A bachelor's degree
 - Professional education courses*
 - Planned program minor*
 - Approved subject content major or two minors*
 - Pass the *MTTC Elementary Education Exam* (subject area exams are optional)
 - Be recommended for certification.
- * *EACH of these areas must have a 2.50 GPA.*

To qualify as a "Program Completer," MAT students seeking their initial **Secondary Teaching** certificate must complete the following:

- A bachelor's degree
 - Professional education courses*
 - Approved subject content teaching major*
 - Approved subject content teaching minor*
 - Pass the *MTTC Subject Area Exams* for both major and minor
 - Be recommended for certification.
- * *EACH of these areas must have a 2.50 GPA.*

MAT Program Procedures

- Apply for admission to the Andrews University School of Education
- Request evaluation of transcripts by the certification registrar*
- Develop a course plan in collaboration with advisor
- Take initial classes during the first semester
- Take the Basic Skills section of the *MTTC during first semester**
- Students transferring in a major and/or minor must pass the relevant *MTTC Subject Exams* during their first semester of enrollment
- Apply for admission to the teacher preparation program during the first semester (see p. 254)*
- Continue course work
- Apply for admission to Student Teaching Candidacy (see p. 254)*
- Take the Subject Area section(s) of the *MTTC**
- Complete course work, including EDTE588 & 688.
- Apply for teaching certificate (see p. 255).

* *Berrien Springs campus students only.*

EDFN500

Professional Education Core—9-12

EDPC525, 3 credits of instructional methods by advisement, EDTE476(2) & 698

Specialization and Electives—17-20

Choose one of the following areas of specialization.

Elementary Education Specialization. Students select courses in consultation with their advisor from those required for certification.

Secondary Education Specialization. Students select courses in consultation with their advisor from those required for certification.

Content Area Specialization. Students select courses in consultation with a content area advisor. Students should note the specific subject area requirements in the appropriate section of this

bulletin. Requirements vary. Students seeking a subject endorsement must complete the equivalent of a minor in that area.

Eligibility for Certification—variable*

Students who enter the MAT program without teacher certification must qualify for a teaching certificate to complete the degree. See specific certification requirements below.

TOTAL degree credits—32**

* Course requirements for persons seeking their first teaching certificate vary slightly from those who already have a teaching certificate.
** A minimum of 12 credits must be 500-level or higher. Students who enter the MAT program without a teaching certificate typically must complete more than 32 to qualify for a teaching certificate.

Field Work and Comprehensive Examinations. Field work and comprehensives may be required at the discretion of the subject specialization advisor and/or the professional education advisor. See Application for a Teaching Certificate on p. 255.

MAT students should consult the Teacher Certification Procedures section of this bulletin for details about applying for Teacher Certification.

Graduate Certificate: Reading/Literacy Education

MISSION

A Graduate Certificate in Reading/Literacy Education prepares teachers and clinicians to enrich and improve the quality of life of all individuals through literacy.

The program is designed to provide a planned sequence of courses that may be used to earn an SDA endorsement in reading by persons holding an SDA Standard Teaching Certificate in Elementary or Secondary Education. Each certificate candidate must work with the Andrews University certification registrar in the Department of Teaching and Learning to see that all requirements are met. Completion of the certificate program is a separate process from obtaining the SDA reading endorsement. It is the student's responsibility to make contact with the Andrews University certification registrar.

EDPC525: Education and Psychology of the Exceptional Child (or equivalent) is a prerequisite for admission to the certificate program.

(Not currently enrolling students in this program)

MISSION

The Reading Education Program prepares educators to enrich and improve the quality of life of all individuals through literacy. Faculty and students collaborate to develop expertise in understanding and guiding the reading/learning process for a diverse clientele.

The Master of Arts: Reading Education prepares students for work as reading consultants, supervisors in reading instruction, or teachers of reading. After determining the student's academic preparation and goals, a course plan is prepared to meet his/her

individual needs. The program leading to a Master of Arts: Reading Education requires a minimum of 32 credits with 22 credits in the reading area of emphasis.

Prerequisites. Three of the following four courses (EDTE417, 418, 420, 484) are prerequisites for admission. If not previously taken at the undergraduate level, the three courses may be taken at the graduate level but do not apply toward the graduate degree program.

TEACHER CERTIFICATION INFORMATION

TEACHER CERTIFICATION PROCEDURES

Michigan Tests for Teacher Certification. All persons in the Andrews University Teacher Preparation Program must pass the *MTTC Subject Area Exams* before being recommended for certification. For details on what the tests are and when they are offered, see the Department of Teaching and Learning.

NON-DEGREE TEACHER CERTIFICATION PROGRAMS

Post-baccalaureate teacher certification and endorsement programs **not** leading to a degree are available.

Post-Baccalaureate/Graduate Level. Andrews University provides opportunities on the graduate level for achieving Seventh-day Adventist and or State of Michigan elementary and secondary certification. Students may work towards certification without being in a degree program or they may complete certification requirements while taking courses required for the Master of Arts in Teaching (MAT) degree.

Steps for Obtaining Teacher Certification

1. Submit all transcripts for evaluation by the certification registrar in the Department of Teaching and Learning and receive an outline of requirements needed for certification.
2. Apply for admission to the Scr certification.wect Area Ersos a(regi.(ORMA)71
1 *SeehAn.*

STATE OF MICHIGAN CERTIFICATION

The State of Michigan issues two types of teaching credentials—provisional and professional. Elementary certificates are valid for teaching all subjects in grades K–5 and in all subjects in grades 6–8 if teaching in a self-contained classroom. Secondary certificates are valid for teaching in subject areas in grades 7–12.

Michigan Provisional Certificate. The *Provisional Certificate* is issued to certification candidates who have completed the requirements for a bachelor's degree, including a major and minor (elementary has a major or two minors option) and the professional education component. (Refer to the specific requirements for the provisional certificate in the Andrews University Elementary and Secondary Education program sections of this bulletin.)

Michigan Professional Certificate. To qualify for a Michigan *Professional Education Teaching Credential*, applicants must show that they have completed the following:

- Three years of successful teaching under the authority of and after the issuance of a valid *Provisional Teaching Credential*.
- Eighteen (18) semester credits of study after issuance of the state *Provisional Teaching Credential* in a planned course of study that includes the reading credits required by the State of Michigan.

RENEWING STATE OF MICHIGAN CREDENTIALS AND STATE PROFESSIONAL CERTIFICATION

The Michigan *Provisional Teaching Credential* is valid for six years. By the end of that period, each certificate holder who wishes to upgrade or to keep his/her Michigan credential current must qualify either for a certificate renewal of their Michigan *Provisional Teaching Credential* or a Michigan *Professional Teaching Credential*.

Renewal of Provisional Certificate. To qualify for the renewal, the applicant must complete at least 10 semester credits of approved course work in a Planned Program after the *Provisional Certificate* is issued. Work taken by correspondence does not qualify.

Renewal of Professional Education Certificate. A *Professional Education Certificate* is valid for up to five years. It may be renewed, with proper application, for up to an additional five years. Renewal assumes that the applicant has completed 6 semester credits from an approved teacher-preparation institution, or submitted evidence of the equivalent in continuing education units completed through professional development programs or professional activities defined and approved by the state board, or in any combination thereof. Applicants need to contact the Michigan Department of Education to renew their credentials and for further information.

ADDING ENDORSEMENTS TO SDA AND MICHIGAN CREDENTIALS

This section outlines criteria and procedures for adding an elementary or secondary endorsement at Andrews University. Other endorsements are also available.

Procedures for Adding Another Level of Certification—Elementary or Secondary

- Develop a program for securing the additional level of certification in counsel with the certification registrar.
- Counsel with the Department of Teaching and Learning advisor as the program is being implemented.

- Apply for admission to the program on the new level.
- Pass the *MTTC Subject Area Exams(s)* for any new endorsements.
- Apply for student teaching before November 30 to be eligible for the next academic year.
- Apply to the certification registrar for a teaching certificate within one semester of completing the program.

Adding an Elementary Endorsement to a Secondary Certificate

To add an elementary-level teaching endorsement to a secondary certificate, one must

- Have a valid secondary-teaching certificate
- Complete a maMu8j T* -0.y-tTc [1 -1.2b Tc (-)650IR9 T* e e 1 TcatiWhement

addition to the planned program minor. See the list of approved majors and minors for elementary certification on p. 251.

- **Planned Program Minor.** For requirements, see the undergraduate teacher education section on p. 250. Courses at the 400 level must be taken for graduate credit to count for MAT requirements.

Secondary Certification Requirements. Students must take sufficient course work in three areas to be eligible for Michigan secondary certification: (1) Professional education courses, (2) a content major, **and** (3) minor in a qualifying area of instruction.

- **Professional Education Courses.** Listed below are the required graduate professional education courses for Michigan secondary-teaching credentials. If students have taken the undergraduate course, they do not need to repeat the graduate-level course. Graduate students who are qualifying for certification and wish to apply credit to a graduate degree must select courses at the graduate level.

* For students with appropriate and verified teaching experience, some student-teaching credit by examination for student-teaching may be granted. Requests for such credit should be made after consultation with the Department of Teaching and Learning on forms available at that office. This should be done before applying for student teaching. All candidates qualifying for SDA certification must have had significant structured experience in a multi-grade SDA school.

- **Approved Majors and Minors for Secondary Certification.** Seventh-day Adventist and State of Michigan secondary certification require a major and minor teaching area. Seventh-day Adventist certification also recognizes additional majors and minors. See the list of approved majors and minors for secondary certification on p. 253.

SEVENTH-DAY ADVENTIST TEACHING CREDENTIAL LEVELS AND REQUIREMENTS

Seventh-day Adventist K-12 teacher credentialing is organized into three levels of certificates: Basic, Standard, and Professional. The following section describes each level, points out specific requirements, and tells how they are met at Andrews University.

All courses needed for SDA certification or State of Michigan certification require a grade of C or above.

LEVELS OF SDA CERTIFICATION AND CREDENTIAL REQUIREMENTS

SDA Basic Certificate. The *Basic Teaching Certificate* may be issued to the candidates presenting a *Verification of Eligibility* form from Andrews University. The certificate is issued by the union conference where the candidate takes his/her first teaching position.

Religion Requirements. A minimum of 12 semester hours in religion, taken at a Seventh-day Adventist college/university or through Home Study International, to include the following areas:

Biblical Studies courses such as: Jesus in His Time and Ours, Law & Writings of the New & Old Testament, Acts & Epistles, Prophets of Israel

Spirit of Prophecy. A study of the gift of prophecy revealed in the Bible and the writings of Ellen G. White. *Choose one:* GSEM532, 534, RELT208, 308, 426

SDA School Experience. All candidates for SDA certification must have significant structured experiences in a Seventh-day Adventist school. To fulfill this certification requirement at Andrews University, any one of the following experiences are considered appropriate.

- Full-semester student teaching in an approved Seventh-day Adventist school.
- A lab experience for EDTE165 in a recognized Seventh-day Adventist school.
- Three weeks of pre- or post-student teaching experience in a recognized Seventh-day Adventist school.

Other verified experiences may fulfill this requirement. Requests to have these considered must be made on a petition form available at the Department of Teaching and Learning office. Such petitions should be submitted at least one semester before student teaching begins.

Multi-grade\Multi-age Teaching Experience (Elementary only). For the *Elementary Teaching* endorsement, multi-grade teaching experience is required. The unique curriculum, instructional strategies, and scheduling which characterize the multi-grade classroom are the focus of the course program and its 50-hour fieldwork experience. Arrangements to take EDTE425 Multi-grade\Multi-age Education should be made with the director of student teaching immediately following admission to the teacher preparation program.

Renewal of SDA Basic Certificate. The *Basic Teaching Certificate* is valid for any three-year period (commencing when it is activated) during the first five years after it is issued. It can be re-validated by completing additional approved professional education/activities. See *Manual for SDA Certification Requirements K-12* for specifics.

SDA Standard Certificate

The *Standard Teaching Certificate* may be issued to an applicant who

- Meets initial General Eligibility Requirements.
- Meets the requirements for a *Basic Teaching Certificate*.
- Completes a minimum of three years of full-time teaching or equivalent.
- Completes 6 credits of professional education or courses in area(s) of endorsements beyond the requirements of the *Basic Teaching Certificate*.

Renewal of SDA Standard Certificate. The *Standard Teaching Certificate* is valid for five years. It can be renewed by completing 9 semester credits of advanced/graduate professional education or approved subject-area courses. See *Manual for SDA Certification Requirements K-12* for specifics.
