This seminar provides a comprehensive overview of contemporary denominations and religious groups. It covers the history, theory, and practice of contemporary denominations and religious groups in various settings, including hospitals, prisons, and the military. The student will learn to identify and assess the needs of the individual, family, and community.

CHMN566 (2-3)
Mobilizing Laity for the Ministry of Evangelism

This seminar provides a comprehensive overview of mobilizing laity for the ministry of evangelism. It covers the history, theory, and practice of mobilizing laity for the ministry of evangelism in various settings, including hospitals, prisons, and the military. The student will learn to identify and assess the needs of the individual, family, and community.

CHMN586 (1-3)
Specialized Approaches to Evangelism

This seminar provides a comprehensive overview of specialized approaches to evangelism. It covers the history, theory, and practice of specialized approaches to evangelism in various settings, including hospitals, prisons, and the military. The student will learn to identify and assess the needs of the individual, family, and community.

CHMN587 (2-3)
Apologetics in Evangelism

This seminar provides a comprehensive overview of apologetics in evangelism. It covers the history, theory, and practice of apologetics in evangelism in various settings, including hospitals, prisons, and the military. The student will learn to identify and assess the needs of the individual, family, and community.

YOUTH STUDIES AND MINISTRY

CHMN534 (2-3)

Youth Ministry Leadership

This course is designed to provide students with a comprehensive understanding of the role of youth ministry leaders. It covers topics such as leadership theory, communication skills, and practical applications of leadership in a youth ministry context. Students will learn how to effectively lead and manage a youth ministry team, as well as how to address various challenges that may arise.

CHMN608 (2-3)

Youth in Contemporary Culture

This course explores the cultural context of youth in contemporary society. It examines the influence of popular culture, technology, and social media on youth identity and behavior. Students will analyze current trends and issues affecting youth, such as mental health, social justice, and digital citizenship. The course aims to equip students with the knowledge and skills to engage youth effectively in a culturally diverse environment.

CHMN619 (2-3)

Religious Experience in Adolescence

This course focuses on the religious experiences of adolescents. It explores the developmental stages of faith and the challenges of religious identity formation during this period. Students will study the role of family, community, and religious institutions in shaping adolescent faith. The course also addresses the impact of religious beliefs on adolescent behavior and decision-making.

CHMN626 (2-3)

Ministry to At-Risk Youth

This course is dedicated to the ministry of care and support for at-risk youth. It identifies the various risk factors that can lead to youth homelessness, substance abuse, and other social problems. Students will learn about effective strategies for reaching and serving these vulnerable populations, including outreach, counseling, and advocacy. The course emphasizes the importance of a holistic approach to ministry that addresses both spiritual and practical needs.

CHMN636 (2-3)

Seminar in Youth Ministry

This seminar provides students with a practical, hands-on experience in youth ministry. It involves a series of field placements where students apply their theoretical knowledge in real-world settings. Students will work with youth leaders, observe ministry practices, and receive supervision and feedback. The seminar is designed to develop students' leadership skills and provide them with a deeper understanding of the challenges and rewards of youth ministry.

CHMN657 (2-3)

Counseling Youth and Young Adults
