With authorization from the North Central Association of Colleges and Schools and other controlling organizations, the various schools of the university have entered into official academic affiliation/extension arrangements with certain educational institutions in North America and abroad. The programs range from academic monitoring of existing institutional programs to using institutions as extension campuses or examination centers for graduate and undergraduate education, with degrees being conferred upon students at the next official Andrews University graduation at the main campus and after completion and verification by the Records Office of all degree requirements. The affiliation/extension programs vary from courses offered in a variety of disciplines to full degree programs.

The Affiliation and Extension Programs Committee authorizes and reviews all university policies related to such affiliations and extensions. The administrative and academic committees charged with academic quality control and relevant policy development also govern the extension programs. Financial policies as described in this bulletin are applicable to extension programs in North America. All credits earned in Andrews extension programs are valid on the Andrews campus or any accredited extension campus. Once accepted into an Andrews program, students may transfer between home and extension campuses.
