MSA: Organizational Leadership (39-40)

The mission of the Organizational Leadership emphasis is to develop trained leadership to meet the needs of a growing SDA church membership, a growth which will place significant demands on support organizations such as conferences,

T . c : E c . De e . e (-)

An ethical framework for the understanding of social transformation. Ethical paradigms are explored, as well as historical examples of how development interventions have generated social change. Focus on contemporary approaches to development, revolution, and liberation.

T . c : P fe . a T a . g : A ea f C ce . a ()

Students are required to participate in a minimum of 45 contact hours of Professional Training related to their area of Concentration. In addition, the student in the final year of the program will design and implement a Colloquium to present best practices in his/her area of Concentration.
