## THE UNIVERSITY

the world including many one-of-a-kind titles. The Center holds nearly collections ( , linear feet) of personal papers of notable church figures such as pioneers, administrators, teachers, ministers and missionaries. These collections provide a wide range of primary source documents. The center's archives contain , photographs of denominational and campus interest, an obituary file of nearly , names, and the records of early Adventist congregations. The SDA Periodical Index is edited at the Center.

Special collections of the Heritage Center include the Advent Source and the Conditional Immortality Source Collections which document the origins of Seventh-day Adventists, the development of prophetic interpretation and the history of the doctrine of conditional immortality. The George B. Suhrie Bible Collection features an extensive collection of Bibles. Rare materials include books dating as early as the th century and several original editions of Martin Luther and other Reformer's pamphlets. In , the Review and Herald Publishing Association donated their rare book library (approximately , volumes) to the Center. The Voice of Prophecy and Faith for Today historical archives also are located at the Center.

### Ellen G. White Estate Branch Office

Located within the Center for Adventist Research, the Ellen G. White Estate Branch Office contains a complete set of the letters and manuscripts of Ellen G. White ( - ). It also has copies of her books and articles, and thousands of pages of other documents related to the history and development of the Adventist Church.

The Branch Office houses numerous resources for students interested in research. The most important of these are ( ) the Letter and Manuscript File of , pages with topical index; ( ) the Ellen G. White published writings on compact disc (CD-ROM), making possible full-text computer searches of Ellen White's writings; ( ) a Biographical Index covering the span of Ellen White's life and documenting her travels and activities; ( ) , Manuscript Releases (with indexes); ( ) an extensive Document File covering many aspects of the writings of Ellen White and of the history of the Seventh-day Adventist Church; and ( ) a Question and Answer File with index.

## THE UNIVERSITY

its mission (p. ). Data about student learning is collected from many sources across the University, analyzed and reported to individuals and groups inside and outside the University. These findings are used to improve teaching and learning. Thus, Andrews University is a learning organization, constantly seeking to improve.

### Intensive English Programs

Nethery Hall, Room -

The Intensive English Language Program offers a courtesy placement test for incoming students to assess language proficiency. Classes are offered in writing, grammar, reading, listening and speaking for students whose first language is not English and who do not meet English proficiency requirements as listed in the Bulletin. Language classes include the skill areas and preparation for the Test of English as a Foreign Language (TOEFL). Tutorial services are available for a fee.

Short-term intensive language study sessions, combined with cultural and professional experiences and travel, are offered concurrently with the fall and winter semesters and at specified times during the summer. Customized sessions can be arranged for groups of twelve or more. The fees vary according to the specifications of the session, activities and length of time. See Action America for additional information.

### International Religious Liberty Institute

Seminary Hall, Room N -

The purpose of the International Religious Liberty Institute is to

and staff are also invited to visit the Center for help. The Center is equipped with eight computers that can be used for ALEKS and other web-based math assignments. An appointment is not necessary. For more information and the most current schedule, see the posted schedule or call the Department of Mathematics at

Museum of Natural History

Price Hall (Science Complex) Lower Level -

The Museum of Natural History is a display used by students and visited by hundreds of people annually. The most complete skeleton of a woolly mammoth ever found in Michigan is displayed in the museum.

Donors have contributed collections of over , marine shells, , birds, and , mammals as well as hundreds of butterflies and other insects. The museum also includes over , botanical specimens in the herbarium section. A collection of antique microscopes is also displayed.

Seminary Library

James White Library, Main Level -

The Seminary Library is an integral part of the James White Library and the Theological Seminary. It provides collections and services that support the Seminary students and faculty. Seminary Library resources include approximately , books, periodical subscriptions and , volumes of bound periodicals.

Biblical studies and practical theology are the major strengths of its holdings. Subject areas of special interest to Seventh-day Adventists are especially strong, including the biblical books of Daniel and Revelation, creationism, the Sabbath, and the second advent. Together with the Center for Adventist Research, the Seminary Library provides the most complete research collection for Adventist studies anywhere. Graduate level collections on systematic theology, missions, church history and biblical archaeology are also featured.

Student Success Center

[success@andrews.edu](mailto:success@andrews.edu)

Nethery Hall, Room -

The Student Success Center (SSC) exists for the sole purpose of helping students succeed. This center supplements the educational process by providing academic guidance, support and developmental instruction. The SSC collaborates to identify students' needs; to facilitate their physical, emotional, social, intellectual and spiritual development through support and leadership; and to provide resources for faculty, staff, and parents who share their concerns for student success.

The Student Success Center serves as a resource for all students—from freshmen to doctoral candidates—in all schools of the University. The SSC also networks with all other campus support centers and functions as a referral base for students and advisors.
