Business Major Course /GPA Requirements. Students must complete the required and elective major courses ( credits) with a minimum GPA of . (C+). The GPA is figured including all courses attempted—even those in which a D is received and which, therefore, do not apply towards the credits of the major.

BBA Core Requirements—

ACCT , ; BSAD , , , , ; ECON , ;  
FNCE ; INFS , ; MKTG .

## **BS: Business Administration**

The program caters specifically to pre-medical, pre-dental, pre-law or other pre-professional students who desire a business emphasis that will benefit them in their chosen career.

This four-year degree includes the business core and courses required by the pre-professional program. Courses need to be selected in consultation with an advisor from the School of Business Administration and an advisor from the specific pre-professional program.

Students must complete the required business courses with a minimum GPA of . (C+).

General Elective Courses. Sufficient credits to complete the credits required for graduation.

## **Associate Degree**

General Business Emphasis

Select from the following: BSAD , , , INFS

Business Core—

ACCT , , ; BSAD , , , , ; ECON ; FNCE ;  
INFS ; MKTG ; and as part of General Education listed  
above ECON and INFS .

Cognate—

STAT (for pre-medical, substitute BIOL )

Electives

As required by the pre-professional program.

TOTAL MINIMUM CREDITS for the BS—

## **Associate of Science Degree**

The Associate of Science degree prepares students for entry-level job opportunities in the business field. The degree is designed for the student who cannot stay in college for a four-year degree or who wishes to interrupt his/her program for a period of time and return to college to complete a four-year baccalaureate degree.

To be eligible to receive the Associate of Science degree, students must satisfy the following requirements and complete the courses indicated:

Business Core Courses—

ACCT , , INFS , ECON ,

Courses in the General Business Emphasis. Students must select and complete the courses required as listed below.
