Regular physical activity is fun and healthy, and increasing	y more people are starting 🏾	🛛 al	i q	[eople	ea/	Mivi
--	------------------------------	------	-----	---	-------	-----	------

- 1. Has your doctor ever said that you have a heart condition <u>and</u> that you should only do physical activity recommended by a doctor?
- 2. Do you feel pain in your chest when you do physical activity?
- 3. In the past month, have you had chest pain when you were not doing physical activity?
- 4. Do you lose your balance because of dizziness or do you ever lose consciousness?
- 5. Do you have a bone or joint proventenpl(v/sicakaartiplet,v/ack, knee or hip) that

your doctor about the PAR-Q and which questions you answered YES.

- Ç You may be able to do any activity you want ó as long as you start slowly and build up gradually. Or, you may need to restrict your activities to those which are safe for you. Talk with your doctor about the kinds of activities you wish to participate in and follow his/her advice.
- Ç

If your health changes so that you then answer YES to any of the above questions, tell your fitness or health professional. Ask whether you should change your physical activity plan.

No changes permitted. You are encouraged to photocopy the PAR-Q but only if you use the entire form.
