

WORSHIP ATTENDANCE POLICY

Worship is the heart of our relationship with God, both as individuals and as a believing community. Worship is crucial for our spiritual health. By worshipping together as a Seminary community, we ground and grow our ties to our Almighty and Loving God and to each other as a Seminary family. In Seminary worship, our spirituality and identity are forged as we encourage one another by expressing our spiritual beliefs, emotions, and values and thus etch them deeply into our life and experience. God's Spirit gathers with us in a special way as we open ourselves to God's Presence, and He shapes us into His likeness, unifying us, and sends us to service.
