

BOOK REVIEW

THE PRACTICE OF ADAPTIVE LEADERSHIP: TOOLS AND TACTICS FOR CHANGING YOUR ORGANIZATION AND THE WORLD

By Robert Kegan and Lahey, David (2009)

Reviewed by Thomas Gyuroka

The book is a 150-page work that provides a comprehensive framework for understanding and practicing adaptive leadership. It is divided into four parts, each focusing on a different aspect of the practice. The first part, 'Introduction: The Practice of Adaptive Leadership', sets the stage by defining the concept and its importance in a rapidly changing world. The second part, 'The Practice of Adaptive Leadership: Tools and Tactics', offers a detailed look at the various tools and tactics used to implement adaptive leadership. The third part, 'The Practice of Adaptive Leadership: The Role of the Leader', explores the specific responsibilities and challenges of a leader in this context. The fourth part, 'The Practice of Adaptive Leadership: The Role of the Organization', discusses how organizational structures and processes can be designed to support adaptive leadership. The book is written in a clear, accessible style, making it a valuable resource for both practitioners and scholars. It is particularly useful for those looking to improve their leadership skills and navigate the complexities of a globalized, interconnected world. The authors draw on a wealth of research and practical experience to provide a nuanced and insightful perspective on the practice of adaptive leadership. The book is a must-read for anyone interested in leadership, organizational change, and the future of work.
